

MIG Program Director Meeting: Wrap-up

March 9-11, 2009

Bill Galey

Unfinished Business

- Program Assessment
 - It is still Very Important to us
 - Will continue to require lots of effort

It is the demonstrated value of these programs that will ensure that they will continue!

Dissemination

- Meetings
 - GREAT Group Meeting:
 - October 23-25
 - St Louis, MO
 - Experimental Biology
 - Other Society Meetings
